Do you have questions regarding the Sacraments?

Are you interested in Baptizing your child?

Is your child in 3rd-8th grade and has not received Holy Communion?

Are you seeking to learn more about the Sacraments for you or your child?

If you want to learn about Baptism, First Communion, or Confirmation for you or your child or about Sacramental Marriage for you and your spouse, this is the meeting for you.

Come, share and ask questions as we look forward to supporting each of our families in their faith journey.
