

ST. TIMOTHY PRESENTS

Gallery Night

MAY 7TH

5-7 PM

JOIN US for Gallery Night, a new and creative experience celebrating your child's growth and imagination!

This special evening will feature interactive stations and beautifully displayed artwork showcasing what your child has been working on throughout the year. Families will be invited to walk through the gallery, explore hands-on stations, and enjoy seeing the creativity and learning come to life in a meaningful way.

We hope you'll take this time to relax, connect with other families, and celebrate your child's accomplishments. Complimentary wine, water, and light snacks will be available throughout the evening as you enjoy the experience.

We look forward to sharing this special night with you and celebrating all that your children have created!
